

A Firewise Future: Protecting Our Families, Homes, and Communities

Wildland fires are a natural part of Western North Carolina. While the 2016 fire season was the worst in many decades, serious fire seasons are almost certainly a part of Western North Carolina's future. Join us to discuss what that means for homeowners and how to take initiative for the safety of your home and family.

[Sponsored by Warne VFD, Brasstown VFD and NC Forest Service](#)

October 23rd 7 pm
