

BRASSTOWN FIRE DEPARTMENT THANKS COMMUNITY

Our amazing community came together on January 20th for a dinner, auction and entertainment to raise funds for the new firehouse.

Nanette Davidson and her crew prepared a delicious lunch while the Pressley girls entertained the crowd of almost 150 people. Tim Ryan and Bob Grove kept the bids rolling for the wonderful items Paulette Capozzi and her crew assembled while the silent auction kept folks coming back to the tables to ensure they got their treasure.

The fire department can't find enough words to thank the generous people who attended and participated in the auctions. \$12,000.00 after expenses was raised due to so many businesses and citizens donating items to keep our costs down.

THANK YOU!!!!

Brasstown Fire Department
